TRUE TO OUR PURPOSE…

It was upon the spiritual harvest fields of the world that Jesus Christ constantly focused the attention of His disciples. The challenge given by our Lord is for laborers, men and women who know how to reap the spiritual harvest fields of the world for the Kingdom of God. It is to this purpose that Harvestime International Network has been dedicated from its inception in 1983. Our purpose is to recruit, train, motivate, and mobilize a network of international harvesters capable of:

1. Intercession for international spiritual harvest: *...The harvest truly is plenteous, but the laborers are few; Pray ye therefore the Lord of the harvest, that He will send forth laborers into His harvest. (Matthew 9:37-38)*

2. Articulation of the principles of spiritual harvest: *And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also. (2 Timothy 2:2)*

3. Demonstration of the principles of spiritual harvest: *And my speech and my preaching was not with enticing words of man's wisdom, but in demonstration of the Spirit and of power: that your faith should not stand in the wisdom of men, but in the power of God. (1 Corinthians 2:4-5)*

4. Communication of the urgency of the mandate for worldwide spiritual harvest: *The harvest is past, the summer is ended, and we are not saved. (Jeremiah 8:20)*

5. Mobilization of members of the Body of Christ to reap their appointed fields in worldwide, end-time harvest: *...He reserveth unto us the appointed weeks of the harvest. (Jeremiah 5:24)*

On the opposite side of this newsletter is an example of how one ministry has built an entire outreach to their continent through Harvestime.

Thank you for being part of this ministry!

Yours for the harvest,
Patricia Hulsey
